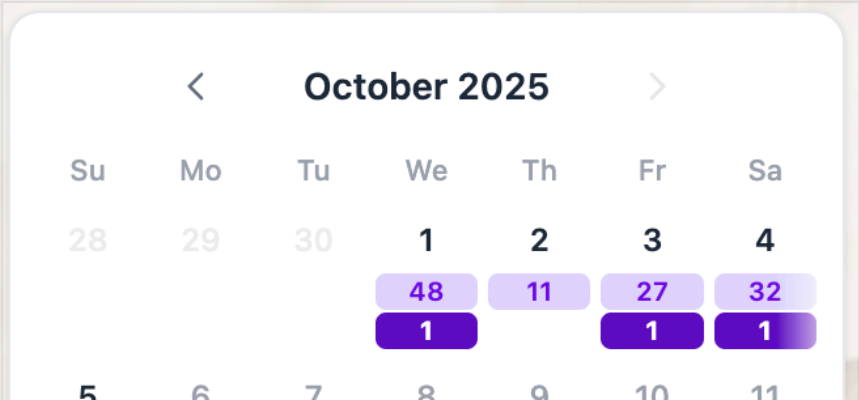
Bugs

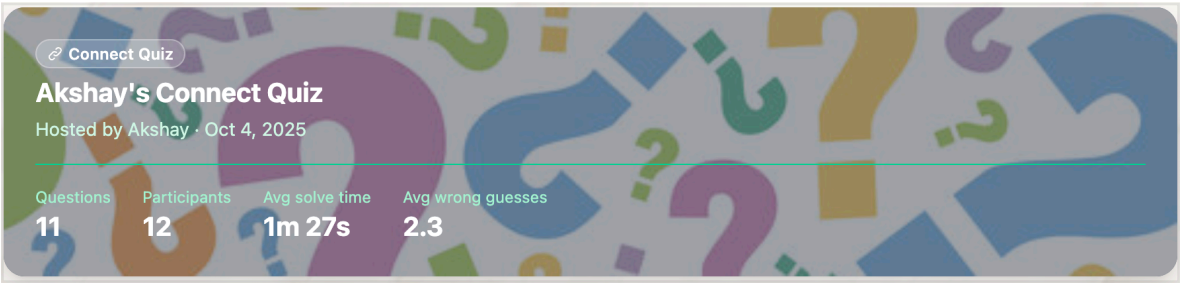
Features:

- Space between question and the side panel
- 
- This and answer reveal tile should be of the same dimensions. Space issue still exists for tiles in the session tab.
- 
- 
- It should show timezone name as well with each location.
- 
- Media enrichment
- Calendar background



- Tag should be in front of messages. It's changing the height of the tile upon revealing the answer.
- 
- Too many questions in general categories
- 
- Too much space between hint and reveal button. The space should be the similar
- 
- Have a hide button as well here
- 
- Discussion should be Complete discussion
- 
  - This should spawn few sections In the space on the left side of the calendar.

- 
- There should be search bar and filter inside session page as well.
- 
- The text color should change for light and dark theme, as visible in the quiz sessions page.



- This color panel is never going away.
-
